

Code of Ethics

As a professional license massage therapist and certified reflexology practitioner I shall:

- conduct myself in a professional, honest and ethical manner at all times
- perform only those services for which I am qualified to provide
- accurately represent my competence, education, training and experiences
- establish and maintain trust in the client-practitioner relationship
- acknowledge the confidential nature of the professional relationship with a client and respect each client's right to privacy
- treat every client with the same kind, ethical attitude
- keep all client information and conversations strictly confidential
- work within the client's comfort zone and pain tolerance
- keep my professional work current, through regular assessment of personal strengths, limitations and effectiveness and by continuing my education and training
- respect all ethical health care practitioners and work together to promote health and healing
- I shall refer clients to other health care practitioners when appropriate
- ensure that anyone employed by me or working in my office shall also adhere to this Code of Ethics

Camille Bennett Salisbury
License Massage Therapist
National Board Certified Reflexologist
